

## Grateful

Thank you, East Hill church, for the support and prayer cover you gave the Elders and Ministers as we met last weekend for our yearly retreat. Your prayers were felt and empowering. We are humbled and honored to be in the position of leading this church family. Know that you are loved and prayed for, not only at the retreat, but throughout the year.

Each January we gather to reflect on the previous year, and to look forward and set goals for the year to come. Some of the questions we asked ourselves are: How did we do last year? Did we meet the goals we set? If we fell short in some areas, what can we do better going forward? What is God wanting for the church at East Hill in 2024?

Looking forward and setting a vision for the next year is a daunting task for one weekend, but it was good to be able to spend a day together focused on the new year. Not all the questions were answered or all the decisions for 2024 made, but the process of self-evaluation and planning has a good start and will continue throughout the year.

Thank you to all those who shared feedback with us before we had our retreat. We greatly value and appreciate all the thoughts and ideas that were shared.

They contributed greatly to our discussion and decisions. We value your input and want to encourage you to communicate with the East Hill leadership anytime you have questions or concerns, thoughts or ideas. We cannot address concerns or pursue ideas if we do not know about them. There is a great pool of wisdom in the East Hill church and there is great value in that shared wisdom for the health of our body.

As I sat in the circle on Friday night while we enjoyed a meal and had a time of sharing with our wives, I was humbled again that I have been called to be part of such an amazing group of Godly men and women. Our time began with a prayer seeking the will of the Father and the presence of His Spirit in our midst. So many different backgrounds and perspectives, each with a story of the redemptive work of Jesus Christ. Such an amazing love for, and knowledge of, God's word. Church, you are loved deeply by the shepherds, ministers, and our wives.

We are excited to see what God does with His church at East Hill this year. May He equip us through the power of His word and the fellowship of the saints to impact this city and the world for His kingdom.

~Eric Tremaine

**Church potluck rescheduled, January 28:** Please come share a meal with your church family TODAY after services. Everyone is welcome to attend. We would also like to extend a special invitation for all young adults and college students to join us.

**Young Adult (30's and younger) & College Age Class:** Last week, we started a new class titled *How to Pray with the Psalms of Lament*. The grand theme of the Psalms is that the Lord is the king of the universe. But how do we relate to him and pray when our lives are turned upside down and we wonder if God is real and if he cares? In this class, we'll explore the Psalms of lament. Meeting in the fellowship hall room A/B at 9 am, Glenn Dallmann teaching.

**"Holy Sexuality" Study:** For many years, it has been difficult to find resources regarding godly sexuality. This past year, Abilene University sponsored a week of chapel entitled "Holy Sexuality". The Women's Thursday Daytime Study will be going through this material and we are extending an invitation to come see one or more videos based on your interest in the topic. Christopher Yuan is the author of the material and covers multiple topics such as Identity, Singleness, Marriage, Sex, Gender & the Image of God. Please look in your bulletin weekly (in the right most column of the inside) for the upcoming topic and feel free to join or invite someone who may benefit to join for that Zoom Class only. For further detail, please contact Rose Miller, Michele Briggs, or visit [holysexuality.com](http://holysexuality.com). May we promote what is good and healthy and holy in God's plan for our lives.

**A Diaper Shower** to bless the Rodrigues family upon the fairly recent arrival of Augie, will be on Sunday, February 11. The shower will be come-and-go from 2-4 pm in the fellowship hall. Augie arrived in November so he can already use size 2 or larger and can use any brand of diapers. For questions about the shower, Laurie Briggs is organizing.

## BODY LIFE & PRAYERS

### Prayer Requests and Updates:

**Angie Robison** was recently diagnosed with Thyroid cancer. She will have surgery on February 14 to remove her thyroid.

**Marty Salsbury's** multiple myeloma is back with a vengeance just 9 months after his stem cell transplant. He has multiple tumors on his spine, in his sinuses, and it is seeding into the lining of his brain and spine. He is in constant pain and he is unable to swallow due to the nerves being restricted from the brain to his throat. We are devastated and angry and sad. He had scans and tests that were clear in October, so this has once again proven to be a horribly aggressive cancer. I am trying to take a leave of absence from work for the next month, so any donations on our GoFundMe (<https://gofund.me/67fc79d5>) will go to our expenses and insurance payments to allow me to care for Marty. As always, we love you and appreciate your prayers for healing and comfort.

~Meghan

**Carol Wiggins** updated us on her mom who experienced a brain bleed over a week ago. She's out of the ICU and has been transferred to a rehab facility. She can speak and has use of the left side of her body. Her doctor says that with physical therapy, she should expect a full recovery. Along with her doctor, we're all amazed and thankful to God for her hopeful prognosis.

### Body Life:

**Water Well Project 2023 Update:** Thank you for your patience and we have some further information on where the well has been built. The water project is in a community called Bodaland in Uasin Gishu County in Kenya and should be completed by the end of this month. We should then be getting a final report on the well by the end of February. Appreciate everyone again who made this project possible!

~The Robison Family

### Prayer Focus:

Typically, our prayer focus is on other things than an individual. But this week, we ask for every member to focus their prayers on the Salsbury family. The Salsbury family faces a harsh reality. Marty's multiple myeloma is back with a vengeance and it's spreading throughout his body. Meghan is taking the month off from work to focus on caring for Marty, which means they need financial help. She has started a "gofundme" campaign (<https://gofund.me/67fc79d5>). The church will be helping from our benevolence funds as we are able, and we encourage members to consider helping individually as you're able. Above all, keep the Salsbury family in your prayers, for his mercy and comforting strength. Amen.

### Weekly Events

**Attended Nursery:** You can drop off children ages 0 up to 2 years in the nursery during services.

### Women's Thursday Class

Meets from 10-11:30 on Thursday morning in the fellowship hall and on Zoom. This week will be covering the section on identity.

### Weekly Prayer Pal Suggestion

## East Hill In the Digital Age!

**East Hill Prayer & News** - Are you connected to our daily e-newsletter, EHPN? Typically we send out at least one email a day to share current prayer requests, needs, and activity announcements. This is a great way to stay informed and discover ways that you can connect with and serve the body of Christ. If you would like to get on the list just contact the office.

**East Hill Digital Directory** - Do you have our church directory downloaded to your smartphone or computer? The directory has all our contact information and pictures, which is a great tool for helping all of us get to know one another. The app and site are called "Instant Church Directory." Only East Hill members with their email in the directory have access to our information. Call the church office if you need help. You can also contact us for a paper directory, but it won't update itself :).

**Online Giving** - Digital options can make giving easier to manage too. We are signed up with a program called Tithely to accept your giving online. If you are interested, go to the "Giving" tab on our church website (easthillcofc.org) and click the bright green "Give" button. You can set your donation to be one time or recurring and made with a credit or debit card or through your bank account.
