

THANK YOU, DORCAS

Acts 9:36-39 – “Now in Joppa there was a disciple named Tabitha (which translated in Greek is called Dorcas); this woman was abounding with deeds of kindness and charity which she continually did. And it happened at that time that she fell sick and died; and when they had washed her body, they laid it in an upper room.”

I wonder if anyone really made all that much of a fuss about those nice tunics and garments she had made before she died. Oh, I'm sure they probably appreciated her handiwork as they admired each other's new shirt and dress on special occasions. But I wonder if they had really taken the time to thank her personally for what she'd done for them before she died. Sometimes it seems we wait until that person passes away before we weep and lament and show our appreciation. I wonder what they all thought after Peter had returned Tabatha to them alive.

We look around the church and admire all the nice things we find. The grass and trees around the building are trimmed up so beautifully each day we walk up to the building. The inside of the building is always so bright and clean. The bathrooms are fresh and sparkly. The auditorium is spotless every Lord's Day. Pews are organized and set in order. We have special occasions in the fellowship hall and throughout the building and everything is always set in very nice order. Classroom curriculum and other church supplies are always in place, and ready for everyone to use and enjoy. We often find very special handprinted notes for birthdays and anniversaries and get well wishes in our mailboxes.

Do you ever wonder how that all this happens? When we stop to think about it, we are so very blessed to have numerous kind and charitable “Dorcas” quietly serving amongst us in our congregation. They are the many unsung heroes who tirelessly work behind the scenes in getting the work done around the church that needs to be done. Let's not wait until they're gone to weep and lament on what they have left behind. Let them know today how much you love and cherish them. Let them know we appreciate the many things they do for the body of Christ. You know why they do these things? Because they love and cherish the body of Christ. They love and want to serve you.

Thank you, Dorcas.

In **HIS** Mighty Name, Ron Kretz

Scripture Memory

Hebrews 10:23-25

Let us hold unswervingly to the hope we profess, for he who promised is faithful. And let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another--and all the more as you see the Day approaching.
