Keeping Level

There are many times in my work when I need to confirm that something is correct, that it is as it should be, that it is true. When hanging pictures or placing a new decal on the wall I will go to my truck and get out the laser level. I can set it up and project a truly level line on the wall to serve as my guide. Needing to place a light fixture in the middle of a room, instead of fighting with my tape measure on the ceiling, I can measure the exact location on the floor, mark it, and then use a plumb bob to transfer the exact spot where the fixture needs to be to the ceiling. Often when installing a new door, I will use my trusty old bubble level to ensure that the new door frame is level and plumb. In a similar way I use my digital multimeter to measure if the electrical voltage at a certain point is what it should be. There are certain ways that things should be installed and maintained to make sure they work like they are designed to.

As Christians we are called to live lives that are correct, as they should be, and that hold to what is true. As we go through life, we are challenged with the task of testing and measuring what we see and hear around us, and it is getting harder to identify what is real.

With the advances in AI, we often see things that appear to be real, but under closer scrutiny, are completely made up. We have information highways at our fingertips, and our minds can become clouded with thoughts and ideas that appear to be true while leaving us with a sense of wondering if it is. But we as Christians are not left to fight this battle on our own. God has given us an invaluable tool to help us discern what is accurate and genuine, the Holy Bible.

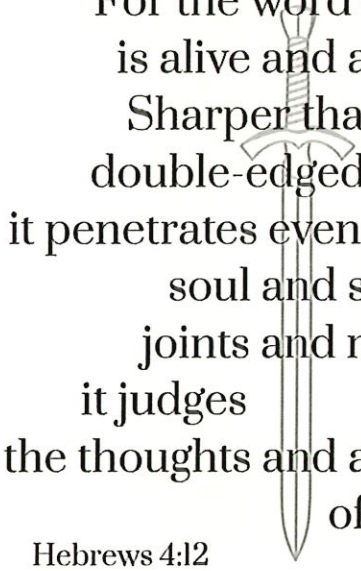

The Bible is factual and timeless: Psalm 119:160 - *"All your words are true; all your righteous laws are eternal."*

The Bible is useful as our guide: 2 Timothy 3:16 - *"All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness…"*

The Bible is vibrant and convicting: Hebrews 4:12 – *"For the word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart."*

As we strive to live lives pleasing to our Lord, we must continually use the word of God as our standard to measure and confirm that our thoughts, words, and actions are in line with what is correct, as they should be, and with what is true.

BODY LIFE & PRAYERS

Prayer Requests and Updates

Skylar Scamehorn will have knee surgery on Thursday, November 12, in Henderson. Please keep her surgery and healing in your prayers.

Candy Battreall's father, Allen Latzel, passed away last Sunday. Please keep the family in your prayers as they mourn. His funeral will be at 10 am on Thursday, November 12, at the One C Sanctuary in Columbus. There will be a graveside service at 2 pm at the Greenwood Cemetery in York with veteran honors.

Stewart and I have just been so blessed and humbled by all the cards, visits, texts, meals, gifts and the abundance of prayers that have been sent up on our behalf. God was in control and that was very obvious to us throughout this journey. As many of you know, I am cancer free! I found out this past week that I will not need radiation. Praise God! We are so thankful for our church family!
